Commander, Carrier Strike Group FIVE**

Welcome to you and your family, as you join Task Force SEVEN ZERO / Carrier Strike Group FIVE. On behalf of the Navy's forward deployed forces here in Japan, we are honored to have you join the team and grateful for your service abroad.

This assignment will prove unique among all others. You will grow personally and professionally as part of a high performing team that lives at the intersection of readiness and deterrence in the heart of the Indo-Pacific region. As you settle into your new duty station here in Yokosuka, we encourage you to take full advantage of all that Japan offers.

We look forward to your arrival. Please do not hesitate to be a demanding customer to me and my Staff to meet all your family's needs during this transition. **Once again, congratulations on your orders and welcome aboard!**

Sincerely,
