Our WARRIOR team would like to make you feel welcome and help you with any challenges you may face while in transit. This booklet will give you the requisite information to aide you in making decisions about housing, buying a car, and overall living in Japan. Please feel free to call anyone on the "List of Contacts" to ask any questions. We are ready to assist you!

While the idea of moving to a new location can be overwhelming, the provided links will point you towards a wealth of information to help with your move and answer any questions you may have. Look through the provided material and suggested websites to help familiarize yourself (and your family) with your new home.
