

USS Stockdale (DDG 106) Onboarding Information

Welcome aboard shipmate, and congratulations on your assignment to the U.S. Navy's finest guided-missile destroyer. Please see our Frequently Asked Questions section, or contact our Command Master Chief, Sponsor Coordinator, or Ombudsman directly at:

Command Master Chief: cmc@ddg106.navy.mil

Sponsor Coordinator: Sponsor@ddg106.navy.mil

Ombudsman: stockdale.ombudsman@gmail.com

Naval Base San Diego is divided into a dry (nearest land) and wet (nearest water) side. The railroad tracks running parallel to Harbor Drive separate the two sides. Only a foot bridge connects them.

If you are reporting and STOCKDALE is in port you can find us at Naval Base San Diego on 32nd Street (wet side). Please reach out to your sponsor to find out which pier we are located on the day you are arriving. You can reach STOCKDALE Sailors on watch 24 hours a day in port at the Quarterdeck. Our number changes depending on pier assignment, please make sure you have the latest from your sponsor.

If you are reporting and STOCKDALE is underway proceed directly to the Naval Base San Diego Transient Personnel Unit (Dry Side). They are manned 24 hours a day and can be found at:

Transient Personnel Unit
BLDG 3142 Brunton Hall Naval Base San Diego
Quarterdeck number is (619) 556-3182.
2475 McKean St
San Diego, CA 92136
